EVENING BRUNCH MENU

We're open all day, seven days of the week.
Artysansz brings, delectability to early morning risers and midday lunchers. Inspired by the flavours of the Middle East, we serve a tasty range of breakfast and brunch dishes, freshly ground coffees and vibrant cold pressed juices and smoothies.

We're passionate about our produce and strive to source the highest quality ingredients. Our eggs are from Clarence court, bread from Simmons bakery and our sausages from the Giggly Pig.

Join us for brunch with friends,
casual dining or early afternoon snacks.
